

Services

If you think that the court concerns itself with the well being of your family, including your children, think again. It's all about following proper procedure.

How PAPA can help you.

Some of the services we can provide:

- Mediation & Settlement (When possible)

- Assist in Drafting or Re-Drafting parenting plans
- Supply all proper documents for filings. (The court is very picky about their document's, and there are many)
- Assist in Drafting powerful Motions (Contempt, Revision, Modification...)
- Assist in Drafting Clear and concise Proposed Court Orders (For the Judge/Commissioner to sign)
- Assist in Drafting and applying for UFC (WA states attempt at a Family Court)
- Assist in Drafting Responses to Motions
- Assist in Drafting Quick Replies
- Assist in Draft affective meaningful Declarations
- Assist in Filing Motions, in a timely manner
- Transcribe Recorded hearing

- Helping you stay on top of court dates.
- Notify you in advance of all up coming hearings.
- Notifying via phone and e-mail of when to confirm hearings (Preventing having to re-file motions)
- Assist in drafting dialogue, to be read by you Pro Se in court. (For an additional fee we can provide an Attorney for this if you insist. We will provide the same monologue for the Attorney)
- One on One Coaching prior to every Court hearing
- File all documents with the court on your behalf. (To court clerk, working papers to Commissioner/Judge or both.)
- Serve the opposing side in a timely manner, and file proof of service with the court. Just to mention a few.
